PURGING OIL SCANDAL; LOOKING INTO WHEELER'S PART

SPECIAL COMMITTEE IN WHEELER CASE

Line of Inquiry In Senator's Case Cannot Be Fully Determined Until This Is Done — To Ask John S. Slattery To Testify

REQUIREMENTS OF BODY

It Will Be Asked to Go Into the Origin of the Charges — The Daugherty Committee to Conduct Inquiry In Wheeler's Charge of "Frame Up"

Washington, April 10.—(United Press)—The Senate investigation of charges against Senator Wheeler of Montana, will swing into action immediately after the appointment of the special committee today by Senator Cummins, presiding officer of the Senate.

Until the committee has been named the line of inquiry cannot be fully determined, but Wheeler's friends say it must be pushed with all possible speed. Any witnesses suggested by Wheeler will be called if it is understood.

Wheeler will ask that John L. Slattery, United States district attorney for Montana, who secured his indictment, and N. T. Lease, former mayor of Great Falls, Mont., and Foreman or the grand jury, which returned the bill, be called to testify. It is also possible that he will insist that Judge Charles N. Pray be summoned.

Gordon Campbell, Montana oil man, indicted with Wheeler is said to be anxious to come to Washington to clear Wheeler.

The committee will also be asked to go into the origin of the charges to determine where they originated and whether the department of justice had any part in their investigation.

Meanwhile, the Daugherty investigating committee will conduct a collateral inquiry into Wheeler's charge that he is the victim of a "frame up." Wheeler will continue to serve as "prosecutor" on the committee, Chairman Daugherty said.

If Howard Manning, once resident of the "Little Green House on K street," arrives today, Brookhart said, he intended to call him to the witness stand.

In the event the former associate of Daugherty fails to appear, the committee is expected to continue with its inquiry into the affairs of the Old Hickory Powder Company, with A. V. McLean, United States district attorney of Nashville, and J. M.

PRINCESS SPURNS FINANCIAL OFFER

Paris, April 10.—(United Press)—The Princess Falmoy, who shot her husband to death at the S. in London, escaped today from what she believes to have been an Egyptian attempt at revenge.

A former friend of her late husband named Cassab Bey came to her with a proposition whereby she might obtain the Prince's entire fortune. Under existing laws of Egypt, Cassab Bey proposed that she say she had borne the prince a child, and offered to produce a French doctor who would issue a spurious death certificate.

The Princess would have been entitled to 150,000,000 francs if she had had a child. Cassab Bey offered her 65,000,000 plus a share of the balance, if she would enter the agreement.

Believing it a trap, the Princess informed the police, who captured Cassab in her home.

New Castle, April 10.—(United Press)—John Doud, 20, is in jail here today charged with larceny. With automobiles "everywhere" the youth is alleged to have stolen the horse and buggy of S. S. Brest, of Moravia. Doud was arrested while driving the team.

Webster Man Found Dead In A Hostelry

L. V. Cunningham of Webster was found dead in bed in a hotel at Masontown, West Virginia, and inasmuch as the gas was turned on, the inference is that he committed suicide.

The body will be brought to Webster, to the home of his father, Daniel Cunningham, an engineer, employed in a Donora manufacturing entity, where funeral services will be held and from whose residence interment will be made.

Particulars are meager. When the body was found, there were no means of identification extant, but in some manner it was learned that the father of the deceased resided in Webster. He was notified, and after the body was taken charge of by a Mason town undertaker, he was requested to shroud it to Webster.

It is said that Cunningham lived with a relative at Elizabeth; that he was a single man, who mysteriously disappeared several days ago.

Scout Troop Is Sponsored By The Legion

At one of the recent meetings of the Charleroi American Legion Post, No. 22, the membership officially sponsored the organization of a Boy Scout troop, and expressed a desire boys to become Scouts. A Troop committee, constituted of Mr. Nichols, V. H. Roberts and Guy Woodward, was appointed. This committee immediately selected as its Scoutmaster, Walter H. Fielding of Fallowfield avenue, who has been much interested in the organization of a Scout troop.

The Legion has provided a splendid meeting place and when the interest of the Post behind them, this troop should grow to be one of the best troops in Charleroi. When officially registered, it will be known as Troop No. 7 of Charleroi, and will increase the enrollment of Scouts in Charleroi to over the 200 mark.

Any boy who desires to become a Scout of this troop, should get in touch with a member of the American Legion or leave his name at Guy Woodward's garage. Any one knowing of a boy, who would like to join, but who has not had the opportunity, will be doing the American Legion a favor to report the case.

MAN ROBBED, DIES OF BANDITS' WOUNDS

Press.—Miss Eva Katz, 25, is in a serious condition in a hospital here today, and Henry Rosner, 40, real estate, is held in \$5,000 bail following a mysterious accident in Fifth Avenue. Rosner was taken into custody by police and acted strangely. He said he was hunting an ambulance to take the young woman to a hospital. The policeman found the young woman unconscious in the machine with a fractured skull. Rosner and the driver said she had fallen from the taxicab and acted strangely.

Rosner is wealthy and lives on Riverside Drive. The condition of Miss Katz is "very critical," it was said at the hospital this morning.

HIS COMPANION ALSO SHOT

Has Five Bullet Wounds In His Back. And Condition Reported as Critical—Banditti Loot the Persons of Twain And Obtained \$80 In Cash

Samuel Brown, 30 years old, of Cleveland, who was shot and robbed by bandits near Allison, east of Brownsville, died in the General hospital at Brownsville yesterday.

Frank Laski, aged 33, a companion of Brown, who was wounded by the robbers, is in a critical condition and not expected to live. He has five bullets in his back.

The two men told authorities they were the victims of bandits. Brown and Laski said they were at Allison, near Brownsville, looking for work when two men stepped from behind some bushes and ordered them to throw up their hands.

Instead of complying with the order the men fled and the bandits opened fire with revolvers. Brown and Laski fell, each shot through the head, legs and body.

The bandits searched the two men's clothing, obtained about \$80 in cash and two gold watches, and escaped.

A watchman of an Allison factory heard the shots and found Brown and Laski lying in a pool of blood. They were rushed to the Brownsville hospital.

Youth, Who Is Charged With Stealing An Auto Is Taken To Pittsburgh

WOMAN FILES A COMPLAINT FOR DIVORCE DECREE

Mrs. Lizzie L. Barble of Monessen is asking a divorce from her husband, James W. Barble, on a charge of cruel and barbarous treatment.

Mrs. Barble, in the filing of her decree, states that she was married to James W. Barble on December 23, 1919, and that for a short time they lived together happily. Then her husband became abusive, and on various occasions struck her with his fist, knocking her down, and at the same time threatening to kill her. She further alleges that he frequently indulged in the cup that cheers to the extent as to become intoxicated and that her life was constantly in danger.

For her own safety and welfare, she avers, she was compelled to leave her husband on February 2, 1924.

Charles Leman, aged 18, of Donora who was arrested by Sergeant E. T. Cohee, of the state constabulary, west of Washington on Tuesday, charged with stealing the automobile of C. L. Gilson of Pittsburgh, was turned over to the Allegheny county authorities last night. He was claimed by Detective O'Rourke. Leman's companions were turned loose.

Sergeant Cohee was stopping and inspecting machines at the "S" bridge. Leman failed to do so when Sergeant Cohee hailed him. Cohee chased him to near the Rosewater house, at which point Leman jumped from the machine and fled, deserting two companions. Later he was apprehended and taken to the county jail at Washington.

BOYS TAKEN TO THE JAIL

Howard Hillman of Monongahela; John Mastanelli of Bentleyville, and Robert Collier, who claims Steubenville, O., as his home, were taken to the county jail at Washington by a Monongahela constable yesterday, presumably Ben Wilson.

At the time of the arrest of the trio Mastanelli and Collier were hiding in the cellar of a home in Monongahela. The young men are said to have admitted entering the store of E. E. Hileman, Fallowfield avenue and First street, this place, and purloining goods as recorded in the Mail.

It is charged that the three have robbed homes, four in number, and a store in Monongahela, and they are wanted in that city to answer to charges to be preferred in their individual and collective cases.

It is said that Hillman, Mastanelli, and Collier "pulled off a job" at Belvoir, O., three weeks ago, by robbing a store in that city. They are also accused of the robbery of a store in West Virginia. While in the state of Ohio they met Collier who was turned, it is said, with them, and has been involved with them in the robberies as stated.

CLAIMED SURTAX WILL BE LOWER

Washington, April 10.—(United Press)—Senate Democrats made public today the tax rate which they would demand in the bill which comes up for consideration in the Senate next week. Three substitute amendments were submitted by Senator Simmons, chairman of the finance committee last night. A few moments after Chairman Smoot reported the Republican bill with the Mellon rate.

An entirely different system of surtax was proposed by the Democrats, with the percentages running up to 40 percent on incomes of more than \$500,000. Simmons claimed, however, that through his simplified system, the actual rate of surtax will be materially reduced.

CUDDY FIGHTS AGAIN TONIGHT

Johnny Horvath of Mansfield, O., will be Cuddy DeMarco's opponent tonight at the Palisades rink, McKeesport. Jimmy Brady of Detroit, who was secured as DeMarco's opponent in place of Harry (Kid) Brown of Philadelphia, hurt his hand in a workout yesterday and the Majestic Club immediately got busy and secured the services of a worthy opponent for DeMarco.

Horvath is familiar to many fight fans of this section and is always a good drawing card. He is said to have gotten a decision over Eddie (Kid) Wagner three weeks ago, and is also credited with a draw in a fight with Willie Ames. He is an aggressive, willing scrapper and mixes it up from the start of the bell. The Majestic Club considers itself fortunate in securing him.

The Majestic card is not weakened in the least, and Horvath secured for the scrap even more interest is occasioned than by the news that Brady had been substituted for Brown.

Fights at the Palisades are growing in popularity and a big crowd is expected to await the tap of the gong tonight. DeMarco is in fine condition for the fracas and will take no chances with his tough visitor.

NOTICE, LEGION MEMBERS. American Legion members and ex-service men will meet at the Dugout Saturday morning at 9 o'clock to march to the home of Nicholas Halecho, 825 Prospect avenue, to attend the funeral services which will take place in St. Jerome's church at 10 o'clock. OPEN MEETING BY JEWISH COUNCIL

The Council of Jewish Women held an open meeting in the parlors of the Eagles club Tuesday evening with a large attendance. Rabbi Stern of Uniontown was the speaker of the evening. He spoke of the need of higher education in youth and his address was not only highly interesting, but beneficial. Master Kinkle of Monongahela, a promising youthful violinist, rendered several selections on the violin, while Miss Liberman of Pittsburgh, pleased her audience with a number of vocal solos.

Mrs. Harry Lebowitz, the president, made an announcement of the coming of one of the most gala events of the season, which will bring the Council's activities for the season to a close. April 30, in the Moose club at Monessen, there will be held an open meeting, at which time Mrs. Walter Bolton, National Field Secretary of Kindergarten, will talk of National Public welfare. It behooves every mother to be present to hear this speaker of note and a cordial invitation is extended to all.

Every Woman's Pride

It rests in a well-managed home—whether that home be a four-room cottage, a mansion or a single hall room in a boarding house.

American women today make up the greatest buying army in the world's history. They spend more than \$36,000,000 every working day for things for the homes they are running.

Certainly they should have bank accounts—to keep an accurate record of what is spent, to promote balancing of the household budget, to make paying for articles more convenient.

Our women customers honor us by saying that at this institution they find special conveniences and comforts, as well as prompt, courteous, friendly attention, and a keen interest on our part to help them in every way possible.

COOLIDGE'S LEAD

IS OVER 30,000

Omaha, Neb., April 10.—(United Press)—President Coolidge's lead over Senator Hiram Johnson in Tuesday's primary election has passed the 30,000 mark with only about 200 precincts still to be heard from.

The vote in 1,776 out of the state's 1,936 precincts was: Coolidge, 75,438; Johnson, 44,201.

Latest returns show that Adam McMullen, of Beatrice, will win the Republican gubernatorial contest over his chief rival, A. N. Mathers by about 15,000 votes.

The only race left in doubt is that of the Democratic senatorial nomination. J. J. Thomas was leading Kenneth W. McDonald by more than 2,000 votes.

Gov. Bryan's lead over Charles H. Graff took on the nature of a landslide. Bryan is leading four to one.

Senator George W. Norris, Republican, won an easy victory for re-nomination.

GERMANY BUSY

GIVING REASONS

Germany was busy today giving reasons why the Dawes report should not be accepted.

Three main objections voiced in government circles were:

1.—A definite total reparation sum should be fixed, so that Germany might have a target to shoot at.

2.—France and Belgium should be requested to take their troops out of the Ruhr.

3.—Practically all the various sums demanded should be reduced.

Muscle and Control Make Every Goal

ENERGY, strong muscles and steady nerves not only win the goals in football but all the other goals in life. And children have an excellent start toward making these goals when the foods they are served contain the elements which build and store up bodily energy and strong health.

The food element, Dextrose, which your doctor can tell you gives vigor and stamina to blood cells and tissue, is of utmost importance to growing children. And because Karo—either Blue Label or Red Label—contains such a large percentage of Dextrose, it is a most valuable food for them. They like the delicious tempting flavor, too.

PAY THE P. O. EMPLOYEES.
The cost of the postoffice department is again receiving careful attention because of the demand for increased salaries by the employees. Department officials contend that if the employees are paid wages commensurate with their services, or that would compare favorably with what they could earn in other branches of industry, it will be necessary to either raise the postage rates or increase taxation.

While the postoffice department employs more men than the combined forces of the army and navy, the cost to the taxpayers last year was less than \$33,000,000, as against \$672,000,000 for the other two departments.

The postoffice business has steadily increased in volume, but the working force has remained at a standstill, and in many localities has been decreased to the end that expenses may be reduced in the effort to make it a self-sustaining institution.

Notwithstanding the fact that several senators and representatives have repeatedly called attention to the fact that the cost of transporting second-class mail, particularly the great magazines, amounts to more than \$1,500,000 per week more than the publishers pay, no effort has been made to curtail this subsidy.

It has been asserted on the floor of the Senate that it costs the taxpayers of the nation \$150,000 per week to deliver one weekly publication more than the publication pays for the service.

The postoffice department and employees should not be starved at one end while a few favored publications are subsidized at the other. The employees certainly should have more pay, and could have more pay if the second-class rates were properly adjusted.

And the reason they are not adjusted is because the people's representatives are afraid of the political influence of these publications; in other words, the people back home do not stand back of them as they should.

Has vanished and O, I wonder where it went.

Most men object to having someone else make a fool of them. That's a little job they prefer to attend to themselves.

A NIGHT OUT.
Once a Charlrovi Sheik, young and mean,
Took the car, and stole unseen,
Through the alley, over the green,
Told dad—
0000000000000000
Never drove the boat before
Funny levers on the floor,
Wondered what the things were for

?????
Got the gearshift in reverse,
Went from second back to first,
Till the gears as things got worse
Said—
Gr-r-r-r-r-r-r
Followed the road that hugs the lake;
Motor produced some awful shakes
Speedometer needle began to make

5-10-20-30-40-50-60-70-80
A speed trap on the great white way,
The Packard gaining, gaining; stay
A tack, a tire. He hears, dismay—
This—
S-s-s-s-s-s-s-s-s-s
The cop came up, the air grew cold,
He looked so mean, and tough and bold,
And the words just rared and ramped
And rolled—
Like this—
?!?!77&5\$ft @d xx
Then came the courtroom, dim at night,
The dismal end to the Sheik's flight
Then the judge spoke loud and with
all his might,
\$\$\$\$\$\$\$\$ and costs.

Correct this sentence—It's a snappy sex story, dad, said the flapper,
and I know you won't mind buying it for me.

\$200 to \$400 Saved

On This Light-Six Touring Car

By our matchless facilities—our enormous production

HERE is a car priced at \$1,045. Built by ordinary methods it would cost you from \$200 to \$400 more.
It is in scores of ways the leader of its class. No rival car compares in the value that it offers.
Let us tell you how we give that value, then urge you to see this car.

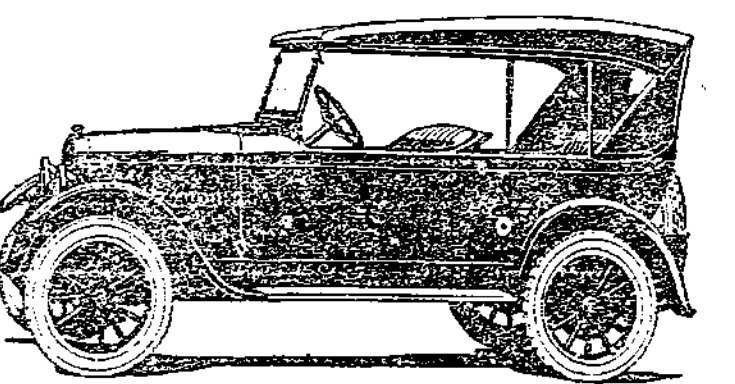

A sensation
Studebaker is today the world's largest builder of quality cars. Studebaker success is the sensation of Motordom.
Sales have almost trebled in three years. Last year, 145,167 people paid \$201,000,000 for Studebaker cars.
There are tremendous reasons for this rush to Studebaker cars. And every man who buys a car should know them.

72-year traditions
The Studebaker name has for 72 years stood for quality and class. To build an ordinary car under that name is unthinkable.
Our assets are \$90,000,000—all at stake on serving you better than all others.
We have \$50,000,000 in model plants, equipped with 12,500 up-to-date machines. We have 23,000 workers, under profit-sharing plans which lead them to stay and develop.

We spend on engineering \$500,000 yearly. We employ 1,200 men to give 32,000 inspections to each Studebaker car in the making.

We are lavish
We are lavish in things that count.

We pay 15% bonus on some steels to get them exactly right. We use genuine leather in our cushions. We use curled hair.
We use more Timken bearings in this Light-Six than any competitive car within \$1,500 of its price.
Our bodies are beautiful creations. The finish and coach work show the final touch. But we build them in \$10,000,000 body plants of our own, and pay for these extras in savings.

Studebaker Light-Six Touring Car—\$1,045

Same steels as we use in the costliest cars we build. More Timken bearings than in any competitive car within \$1,500 of this price.
Genuine leather cushions, ten inches deep. Curled hair filling. All-steel body.
One-piece, rain-proof windshield. Attractive cowl lights. Standard non-skid cord tires.
Transmission and ignition locks. Perfect motor balance. Curtains that open with the doors.
By far the greatest value in this class.

Mail coupon for book about it

We machine all surfaces of our crankshafts and connecting rods, as was done in the Liberty Airplane motors. No other maker of cars at our prices does this. The result is that perfect motor balance, lack of vibration and long life.

Where we save
We save by enormous production—150,000 cars per year. Our major costs are all divided by that enormous output. It is utterly impossible for smaller makers to compete.
We save by modern plants, mostly built in the past five years. We save by up-to-date machines. By building our own parts and bodies.

See what this car offers
Come see what this Light-Six offers. How it excels in scores of ways any rival car.
Built with the same steels, the same care and skill, as the costliest of our cars. We have only one grade of chassis.
See its beauty, its comfort, its luxury. See how we have studied your every desire.
Do that and you will choose this car, if you have in mind a price anywhere near this.

Send for the book
Mail us the coupon below. We will send you free our new book that will inform you on five simple things which reveal the value of a car. For instance—
It will enable you to look at any car and tell whether it's been cheapened to meet a price or offers true quality.
It will tell you why some cars rattle at 20,000 miles and others don't. It shows one single point in a closed car which measures whether you're getting top or medium quality. The book is free. Clip the coupon below.

The Personal Side

Mrs. Anna McFeeley is confined to her home in Fallowfield avenue on account of illness.

Miss Della Shiget, a nurse of the Allegheny General hospital, is visiting in Charleroi for several days.

Ray Wright of Pittsburgh is a guest at the home of Mr. and Mrs. James O'Brien of North Charleroi.

Mrs. George Merger of Pittsburgh is visiting at the home of her sister, Mrs. Edward Stech of Crest avenue.

Mrs. Paul L. Coyle of Coraopolis is spending the week visiting at the home of Mr. and Mrs. L. M. Mebs of Lookout avenue.

Alvin Armbruster, 15-months-old son of Mr. and Mrs. Charles Armbruster of Meadow avenue, who has been seriously ill with pneumonia, is improving.

Miss Margaret O'Brien resumed her duties at the store of J. W. Berlyman & Son this morning, having been confined to her home in North Charleroi on account of illness this week.

THE CAMPAIGN IN PROGRESS

The Pennsylvania College for Women has an endowment campaign on.

The campaign was inaugurated on March 11 to secure an endowment and building fund of \$1,500,000; \$1,000,000 for endowment and \$500,000 for buildings.

For over 50 years the P. C. W. has played an important part in the education of young women in Western Pennsylvania.

With the same academic standing as larger colleges, its financial standing is below par because of the lack of endowment.

The intensive campaign closed April 6. The local Alumni and former students who are Felicie Bosson Fetter, Alice Calvert Wood, Mrs. Shaner R. Blythe, Alice McKean, Mary Provins, Esther A. Berryman, Margaret Berryman, Jane Johnston and Mrs. John N. O'Neil, are preparing to raise their quota and are asking the cooperation of the people of Charleroi. The first effort will be a benefit dance, to be given at the Elks club on Thursday evening, April 24, from 9 to 1.

Many people ask, "Why Should I Give to the P. C. W.?" Because, as an American citizen, you should be interested in seeing to it that any institution of culture and having for its primeval object, the best in citizenship, such as the P. C. W., should be properly maintained.

FIRST SKIRMISH

IS NOW ON

Washington, April 10.—(United Press).—The first inter-party skirmish of the presidential campaign was waged here today when the House of Representatives took up the Bloom-Chandler election contest.

The unseating of Bloom, the Democratic incumbent from the 19th New York district, in favor of his Republican opponent, former Representative Chandler, would change the Democratic majority in the New York delegation to a Republican majority and give the Republicans the state's vote in event the presidential election is thrown into the House.

Both parties regarded the issue as so important that extraordinary efforts were made to have every member present to vote. It was indicated that the vote would be strictly partisan, with the exception of a little bloc of progressives led by Representative Nelson of Wisconsin, who announced an intention of voting for Bloom.

BELIEVE REPORT

WILL BE EFFECTIVE

Washington, April 10.—(United Press).—With strong objections certain to be made to it, the Dawes report stands better than an even chance to effect a final settlement of the reparations problem, official and diplomatic Washington believes today.

The principal objection expected is that the report does not recommend a definite total reparations figure—a fact to which Germany is already objecting. Reparations the reich is now under obligation to pay total \$32,000,000,000 gold marks.

An effort may be made to make it appear that under the proposals of Secretary of State Hughes which brought about the Dawes inquiry, the experts were obligated to set a total figure.

The reason the experts' report did not deal with a total sum is that General Dawes found at the start that to try to fix a total would wreck the inquiry.

In Society's Realm

The Ladies Sewing Club of Mother of Science church, met at the home of Mrs. M. Guggie, Washington avenue last evening. During the business session, arrangements were made for a bazaar which will be held April 11 and 12 in the West Penn Power company and also for a spaghetti supper which will be held in the near future. A delightful social hour preceded the business meeting, during which time delicious refreshments were served by the hostess, assisted by Mrs. J. Degasperli.

Mrs. Edward Stech of Crest avenue entertained the members of the Get-to-Gether club at her home last evening. The time was pleasantly spent in cards, two tables being in play and the favors were awarded to Mrs. Blatthew Djordanengo, Mrs. William Newton and Mrs. Joseph Stech, Jr. A short musical program was carried out during which time several vocal solos were rendered by Miss Dorothy Ryman & Son this morning, having been continued to her home in North Charleroi on account of illness this week.

The social committee together with the officers and guards of the W. B. A. of the Macabees were entertained at the home of Mrs. Charles Phillips of Eighth street last evening. A short business session was held, at which time arrangements were made for an Easter dance to be held in the near future. At the close of the meeting a delicious luncheon was served by the hostess.

Announcement has been made of the marriage of Miss Beatrice Thayer, daughter of Mr. and Mrs. John Higginbotham of this place and Charles Welch, son of Wm. Welch of McKean avenue, which took place in Oakland, Maryland, April 7. The ceremony was performed in the parsonage of the Methodist Episcopal church of that place, by the Rev. Charles Deneen, former governor.

The young couple were attended by the bride's cousins, Monona and Wendell Thayer of Oakland, Md. The bride, who is one of Charleroi's most popular young ladies, was attired in a gown of blue romaine crepe, embellished with hat to match. The groom is also wellknown in the community. For the present they will make their home in Charleroi.

INTEREST CENTERS FOR SENATOR

Chicago, April 10.—(United Press).—"With President Coolidge winner over Senator Hiram Johnson in the large, McAdoo men hope to salvage Illinois primary by approximately 125,000 votes, interest today centered on the neck and neck race for the Republican nomination for Senator lesser offices has been fully established between Senator McCormick and

Why Bleaching Is The Safest Way To Whiten Dark Teeth

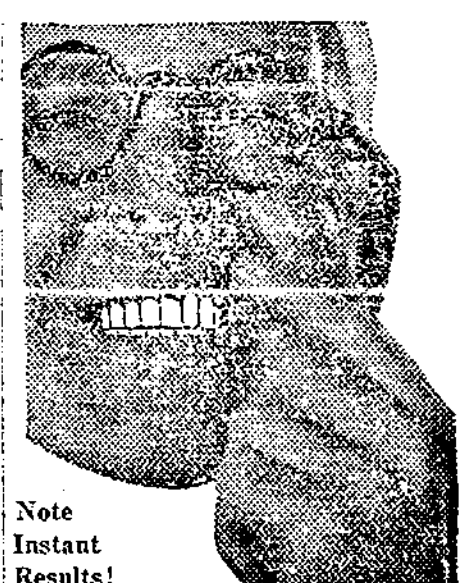

Dentists' New Discovery Guaranteed to Remove Teeth Stains—Or Costs Nothing

A new safe method has been discovered which whitens teeth instantly, giving dull yellowish teeth a beautiful new flashing whiteness and lustre.

The old way to whiten stained teeth was to scrub them with harsh, gritty abrasives, which usually scraped away the precious enamel. But this new safe method is entirely different. It is called Bleachodent Combination and consists of a mild liquid and a special kind of paste. This liquid softens and loosens the stains—while the special paste gently removes them. The reason this new method is safer than the old way is because the mild ingredients of Bleachodent Combination are especially combined to act only on the surface stains—not on the enamel itself.

You simply brush the teeth with a few drops of the mild, harmless liquid—then use the paste and note the instant results! See how quickly dull stained yellowish teeth acquire a new sparkling whiteness and glistening appearance! Tobacco and other stains disappear often with the first few applications!

Bleachodent was perfected by two prominent dentists who used it for four years on their own teeth and on

their patients' teeth with such highly beneficial results that the Bleachodent Dental Laboratories were organized to place this remarkable product before the public. Bleachodent Combination is sold on the absolute guarantee that your money will be instantly refunded if you are not more than delighted with results of first application. Don't accept cheap imitations. Be sure to ask for Bleachodent Combination by its full name. Get it for small cost. For sale by all good druggists.
